

WESTENDORF

Freedom Mount™ Fits for John Deere 6R Series

Freedom Mount™ - The Envy of the Loader Industry

Freedom Mount™ loaders are designed for strength and functionality. Their sleek low-profile provides clearer sightlines and amazing visibility in all directions. Included are patented Westendorf features like Smart-Pac Cylinders, Lineless Hydraulic System, Flat Face Hydra-Snap™ Manifold, and Remote Control Coupler. Other extras that match the higher demands of today's large FWA tractors include, Fender Friendly Tire Clearance, Triple Force Arm, Rotational Indicators, and Extra Heavy Bucket with Bolt-On Blade.

John Deere Fits: 6140R and 6150R

Freedom Mount™ Loader Fits: FM-550 and FM-560

REMOTE CONTROL COUPLER

- Easy as Pushing a Button
- Patented Stealth Valve Integrated into the Loader
- Does NOT Require 3rd Hydraulic Lever
- Stay in the Comfort of Your Cab
- Hydraulic Power Eliminates Tools and Pins
- V-Shape Self-Aligns and Stays Tight
- Now You'll Use the RIGHT Tool for the Job

FM-550 Complete Package – The Westendorf Difference!

- 14' of Lift Height with 7340# of Lift Capacity
- Freedom Mount™ System & Remote Control Coupler Included
- Mounting Brackets, Grill Guard and Hose Kit Included
- One-Lever Hydra-Snap™ Manifold and Rotational Indicator Included
- 98" Freedom Mount™ Bucket with 1.5 Cu. Yd. of Heaped Capacity
- Full Line of Attachments Available

About Westendorf Manufacturing Co., Inc.

Situated in the heartland of America, Westendorf Manufacturing has been a pioneer in the industry for 70 years. It has designed, patented and manufactured Power-Mount™ loaders, the Snap-Attach™ quick-change system for attachments, and versatile accessories, such as grab forks, buckets, blades, plows, fork lifts, and booms. For more information, visit the web site at www.loaders.com.
