

WESTENDORF FM-570
on NEW HOLLAND T8010 SUPER STEER

"The Professional Grade"

Quality You Will Feel, Ingenuity You Will Use...

WESTENDORF FREEDOM MOUNT™ FM-570

- **Fits large front tires with fenders** – Experience the *tire freedom* your tractor was designed with and keep fenders on most models with 30" row settings without turning limitations or oscillation stops.
- **Box I-beam arm construction** – Strength to match the powerful front-wheel assist tractors of today with the wide knee area, extended flange and tapered box style build.
- **Low-profile fit & unrestricted visibility** – *See and feel the difference* of a loader that fits properly with the bucket close. Unrestricted vision in ALL directions while maintaining balance, sharp turning radius and more power.
- **Freedom Mount™** - Enjoy the Freedom of mounting this new series loader from the comfort of your cab. Just drive over and set your loader on the bucket. To mount, just drive in and the loader automatically locks on.
- **Patented lineless cylinder advantage** – Eliminate the chance of unwanted downtime from hose snags, twists or deterioration with Westendorf's Professional Grade Lineless double ported *PLUG-N-PLAY* cylinders. Features *PATENTED PACKING PROTECTION* system.
- **The perfect bucket** – Westendorf is famous for Bigger, Stronger and Cleaner Bucket Designs... We've taken it to the next level with the PROFESSIONAL GRADE bucket that matches the strength of the FM loader.
- **One-piece bracket design** – Simple and strong one-piece bracket is tailor made for each tractor. Clean design allows easy FREEDOM TO ACCESS your tractor; plus, it reduces installation time.

FREE Grill Guard and Remote Control Coupler with the purchase of Freedom Mount loader package. Limited time offer.
